

PURPOSE AND MISSION STATEMENT FOR PUNTA RASSA SOCIAL COMMITTEE

April 2010

The purpose of the Social Committee will be to plan, organize and implement on-site social events and off-site outings for residents of Punta Rassa.

It is the mission of this committee to build a sense of community amongst residents and renters, to encourage team spirit and to demonstrate an “attitude of acceptance” so that all owners and renters feel welcome and included in the social activities and daily life of the condominium association.

Further, it is the mission of this committee to utilize its event planning as a means of presenting life at Punta Rassa in a positive light to potential new owners and the community at large.
